to the post office as theinearest one is 25 miles away. I drive very little anymore and I would have to depend on someone else to get my mail. I recieve most of my medication by mail. This would put a hardship on me. This is not only a hardship forme, but also for several of my neighbors, as there are a lot of serior citizens who live in Hacker Valley.

We would appreciate it beyond words if we could have our Post Office back.

and and the control of the control o

Thank You Very Much.
